Why choose **elevate** from Liniar?

- Available in kit format with everything included, the Elevate lantern-style roof is simple to choose, order and install.
- Elevate roofs are made to order and delivered to site within a maximum of 5 working days.
- Kit sizes available up to a maximum of 2.4m x 5.4m .
- Beautifully designed, Elevate features slim sightlines and a sleek transition of roof bars, allowing in more light for an unobstructed view.
- Elevate also includes Liniar's patented weather dam to protect against the elements.
- Liniar's EnergyPlus twin walled top caps are included with every Elevate kit, ensuring a strong and robust fit, and the ultimate thermal efficiency.
- Foiled roofs are supplied with fully foiled components, including top and end caps - giving an aesthetically pleasing finish.
- As you would expect, Elevate features Liniar's existing conservatory roof innovations such as the patented Glazing Stop system to avoid slippage.
- 36 colour combinations available in just 5 days.
- Designed to match perfectly with other products in the Liniar range for a seamless finish - including windows, bi-folding and patio doors.
- Choose from glazed or unglazed lanterns for the ultimate flexibility.
- British made, Elevate is covered by the Liniar 10-year guarantee and supported by a team with more than 500 years' experience of fenestration technology.
